CNADM BEST SELLERS

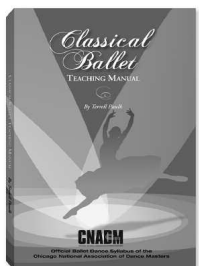

NEW! CNADM's Introductory Modern Dance Teaching Manual by Jon Lehrer and Matthew Farmer
Featuring expert advice on teaching:

- Floor work for every level of expertise
- References and terminology
- History of Modern Dance
- And, a **bonus DVD** containing floor work contractions and slow-motion demos of across-the-floor combinations.

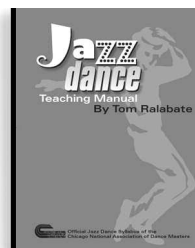

We're so impressed by these five books that we encourage every dance educator to use them as guidelines in structuring their classes. They make great resources for non-members studying to take the CNADM membership exam, too!
