I'm interested in participating in the CNADM Rep program by volunteering my time at the Summer Workshops. I understand that any volunteered time will be counted toward **FREE attendance** at upcoming Workshops. Please have someone contact me about this program!

All registrations will be processed in the order received, with priority given to CNADM members and members' students when class size limits are necessary. CNADM reserves the right to place late registrants according to room availability.

CDE/MDE Participation In order to have your attendance at Training School, Dance & More and/or Convention count toward the certification program, you must register on-site with the Education Director and agree to have your hours monitored. List below the attendees who plan to participate in the certification program.

Scholarship Fund Each year, CNADM awards 26 scholarships to deserving dance students of members to attend the Summer workshops. These scholarships are made possible through CNADM Scholarship endowment funds. Donations to help fund these scholarships are gratefully accepted.
