### CNADM Members Only Session!

Deborah Vogel, neuromuscular educator and dance medicine specialist will bring her expertise to the CNADM members with a lunch time presentation on **Basic Assessments: What Every Teacher Should Know About Their Student's Body.**

Having a basic knowledge of a student's strengths and weaknesses will improve a teacher's ability to give specific corrections to improve a student's technique level more quickly.

**Thursday, July 29 Noon-1:30 p / Ballroom DEF**
